

CASA SUPERHERO 5K RUN

2ND ANNUAL CASA SUPERHERO 5K
OCTOBER 29, 2022

Dear Community Partner,

CASA, a program of Crime Victim Services, is a nonprofit organization that utilizes trained community volunteers to advocate for children experiencing abuse and neglect. CASA volunteers are from diverse backgrounds and vary in age. The common thread? Their passion for making a lifelong difference in the life of a child.

We are looking for sponsors for our 2nd Annual CASA Superhero 5k. Proceeds from this event will benefit CASA by supporting volunteer recruitment and training in Allen & Putnam Counties.

Join us in being the voice for abused and neglected children in our local communities! We challenge you to move, to get involved, to make an impact and to help change your community for the better!

Please see the following form for sponsorship opportunities.
