"I WAS VERY IMPRESSED WITH THE INTERACTION I HAD WITH CVS. MINE WAS NOT A VIOLENT CRIME BUT I HAD NO IDEA WHO TO TALK TO ABOUT THE ISSUE I WAS HAVING. FORTUNATELY FOR ME, THE ISSUE RESOLVED ITSELF BUT I KNOW NOW THERE IS SOMEWHERE I CAN TURN. THANK YOU."

"I FOUND WRITING AND THEN VERBALIZING THE VICTIM IMPACT STATEMENT THERAPEUTIC AND HEALING. THANKS FOR BEING A FAMILIAR FACE AND CONTACT FOR ME. I ALSO APPRECIATED YOU GETTING INSIDE SCOOP FOR ME ESPECIALLY ON COURT DAYS. THANKS FOR BEING SOMEONE I COULD TALK OUT LOUD TO AND BOUNCE QUESTIONS OFF. I APPRECIATED ALL OUR CONVERSATIONS CASE AND NON-CASE RELATED."
Mission:
To help victims prevail over the trauma of their victimization by assisting and advocating for safety, healing, justice, and restitution

Vision:
A community free from violence and oppression

Director's Note...

For 40 years Crime Victim Services (CVS) has helped victims recover with safety, healing, justice, and restitution, cultivated a culture of prevention, and challenged systems of oppression. So, what are our outcome measures? 1) 98% of victims say they feel safer, have less trauma, receive victim rights, and/or were helped financially. 2) 100% of victims in Ohio have laws and constitutional rights to be informed, present, and heard, with safety, privacy, and fairness considered, and to an order of full restitution – and CVS staff testified about 20 times in the Ohio General Assembly to create these changes. However, our success did not eliminate sexual and partner violence, drunk driving, child and elder abuse, or murder. We remain committed to culture change and individual survivor advocacy. Our motto remains: “Every Victim, Every Right, Every Service, Every Time.”

Dear Supporting Community Members, Donors, and Volunteers,

Crime Victim Services would like to extend our deepest appreciation to the people outside of our organization who make a huge impact on the scope of what we are able to accomplish. Without your support, our programs would not operate at their full potential (imagine CASA with no volunteers!) and be able to help as many victims and survivors as we do. We have a full donation closet to help our survivors stocked with clothing, toiletries, and office and home supplies. Because of these generous donations, we have been able to help many sexual assault and trafficking survivors get the basics they need to start over. We have been able to reach out to vulnerable people, including older adults and those with disabilities. Every dollar you give, every item you donate, every minute of your time spent with us, is valued and needed for us to continue providing safety, healing, justice, and restitution to area victims and survivors of crime. Thank you for being a part of our team.

Looking Beyond 2020...

Crime Victim Services is actively striving to improve our workplace environment and shaping its services to be more fair and equitable to its employees and the people we serve. We strive for diversity on both our Board of Directors and among our staff. We continue to reach for diversity and ways to celebrate greater inclusion. Part of our strategic planning process has been to have a committee that worked on more inclusive and non-discriminatory interviewing and hiring practices that try to eliminate implicit biases from being part of our decision making process. Our Special Victims Unit is specifically tasked with making sure that we effectively and compassionately serve victims that are often underserved based on ability, gender, gender identity, race, language, sexual preference, religion, etc. In addition to this work, we have created the Staff of Color and Aspiring White Accomplices groups that provide safe, supported spaces for employees to address issues of race and equity, provide education, and advocate for social change around these topics. CVS is excited to help facilitate the conversation regarding racial and social justice both internally and in the community as we move forward.
